**Recap:** During the November 5th, 2025 BOD meeting, Bill Wagner requested the club authorize a new President before the end of the 25/26 school year. On December 17th, 2025, Athletic Director Eric Cavaliere met with BOD members Pam Gunning, Susan Marcale, Neet Kaur and Bill Wagner to define a plan for recruiting new parent volunteers for the open ORSB Executive Leadership positions (President and Treasurer). Consequently from this meeting; Bill provided basic job descriptions for each of the executive positions along with an estimated time requirement. Eric shared this information with coaches and identified Ryan Benander as an interested and qualified candidate. Bill followed up with Ryan directly and agreed on the succession plan of Ryan as President and Bill as (interim) Treasure, until another viable volunteer or option is identified. ORSB approved this change and the above bank authorization updates by google form vote on January 26th, 2026, effective as soon as the respective account authorizations are updated with Columbia Bank.
