## ***RE: Sports Boosters Membership***

*Dear Oak Ridge Sports Boosters, Friends, and Fans:*

*As a parent organization, The Sports Boosters Club believes the high school experience is important to preparing young teens for adulthood, providing life lessons in being responsible contributing members of the community, being team players, and for future success in college. The Sports Boosters Club is charged to support the Oak Ridge Athletic Program through fundraising and team parent involvement, complementing the Oak Ridge academic program through the pursuit of athletic excellence. Last year, the Oak Ridge Athletic Department processed over 1,200 athletic application packages.*

*Parents from all 23 Oak Ridge athletic teams participate in The Sports Boosters Club. Reductions in district funding for athletics have resulted in an increased need for direct parent support through Sports Boosters. Thanks to the help of generous supporters like you. The Sports Boosters Membership Program raised \$39,000 last year, which was redistributed back to the individual teams over and above individual fundraising. Teams use these monies to help supplement stipends for quality coaching, purchase uniforms, equipment, and other miscellaneous expenses. There are three donation options: \$25.00 single sport membership, \$50 two sport membership, or \$125 Gold Card membership that is also recognized by the administration for complimentary admission into all home regular season sporting events for your immediate family.*

*The Sports Boosters Club also subsidizes the Trojan Sports Trainer Program and Therapy Program run by El Dorado Physical Therapy.*

*Our goal is to raise \$45,000 through the Booster Memberships. Please renew/support The Sports Boosters Membership Program through a \$25, \$50, or \$125 donation (check or credit card)*

*Please return the attached form with your tax deductible donation via mail or drop off at the Administration Office.*
